

**Instant credit ready corps...2 years and older... ready to go...and ready for funding.
And I'll even tell you how and where to get that funding.**

If you want to start a company, but don't have the time for all the leg work required...

If you need a ready to go company with the credibility of years of operation...

AND

If you need to get funding to get your business off the ground...

Then this will be the most exciting offer you're going to read.

Here's the deal.

My goal, is to make sure you're armed to the teeth with powerful insider information on:

- Starting your business.
- Growing your business in our competitive “dog eat dog” economy.
- Funding your business without breaking any state laws.
- Marketing your business online AND offline for maximum exposure.

Now...with your permission, I want to let you tap into my collection of ebooks, articles and resources and secretive strategies for getting completely legal funding for your business and cracking open the floodgates of lavish investor funding.

Getting funding for your business is easier than you think. But that's only if you do it right.

I personally vetted each one and made sure it met my requirement. I'm not going to let you walk out with a confusing mess of information you can't use.

Here's some of the insider resources you'll get:

1: Resources and guides for raising the capital you need to build your empire.

- bank loan application form and checklist
- checklist alternate term sheet provisions
